The Swiss Tourism for Sustainable Development in Vietnam (ST4SD) project is funded by the Swiss State Secretariat for Economic Affairs (SECO) and co-implemented by Helvetas Vietnam and the Center for Rural Economy Development (CRED). The objective of the project is to develop Vietnam's tourism industry in a more sustainable and inclusive manner by focusing resources on the development of the tourism ecosystem. The Ministry of Culture, Sports and Tourism appoints the Vietnam National Authority of Tourism as the project owner.

The ST4SD project supports the preparation of relevant policies and strengthen public-private dialogue at both national and subnational level, establish a new Swiss Executive Hospitality Training (EHT) programme at qualified Vietnamese training institutes and create a network of experts from the Swiss and Vietnamese tourism sector, and promote innovative concepts for businesses and destinations to strengthen sustainability (including the introduction of sustainability standards). In the long term, the project aims to contribute to the creation of new livelihoods and the sustainable economic development of Vietnam.

As part of Component 3, implemented in Quang Nam province, the ST4SD project provides consultancy support in building and implementing several branding initiatives to make Tra Que vegetable village more sustainable and worthy of its recognition as the best tourism village in the world (recognized in 2024 by UN Tourism). Therefore, we are seeking individuals/groups/organizations to construct the brand identity items for Tra Que vegetable village, located in Cam Ha commune, Hoi An city, Quang Nam province.
