

Request for Quotations (RFP)**Digital Marketing Training, Coaching, And Digital Content Creation Competition
“Sa Dec – A Living Heritage In The Heart Of The Mekong”**

Helvetas invites interested parties to provide services or works as described below.

1. Contract description

The Swiss Tourism for Sustainable Development in Vietnam (ST4SD), financed by the Swiss State Secretariat for Economic Affairs (SECO), aims at making Viet Nam's tourism sector more sustainable and inclusive. As part of the economic development cooperation of Switzerland for Viet Nam, it is implemented by the consortium of Helvetas Vietnam, a Swiss international NGO, and the CRED Tourism & Agriculture Solution Consulting Company Limited, a Vietnamese NGO. The Ministry of Culture, Sports and Tourism appointed the Viet Nam National Authority of Tourism (VNAT) as the project owner.

Within the framework of the ST4SD project, several new tourism products have been developed in Sa Dec City to effectively leverage local cultural heritage, traditional crafts, agriculture, landscapes, and community life. However, many tourism businesses, artisans, local guides, and tourism sites still face challenges in utilizing digital platforms to promote their products, tell destination stories, and directly engage with travelers.

To strengthen digital marketing capacities among local tourism stakeholders and build a network of content creators supporting the destination, a Digital Marketing Training and Coaching Program combined with the Digital Content Creation Competition, “My Sa Dec”, will be implemented. ST4SD therefore seeks a qualified consultant to provide digital marketing training, coaching, and digital content creation, as detailed in the attached TOR.
